

Claim Service

at your insured's fingertips

At Nationwide, it is our goal to provide Fast, Fair Claim Service. Nobody ever wants to have a loss, but should one occur, it helps to have a quick and simple way to report it.

Research shows a correlation between efficient claim handling, policyholder satisfaction, and responsible cost management. This starts with a simple reporting process that helps to reduce cycle time and increase the quality of new loss information.

Reporting a claim

You or the insureds can easily report claims 24 hours a day, seven days a week, 365 days a year through the following methods:

- Email: sicreportaloss@nationwide.com
- Website: www.nationwideexcessandsurplus.com
- Phone: 800-423-7675.

Your role

Encourage insureds to report a claim directly to Nationwide through one of the methods listed above.
