

Extra mile coverage.

What we offer

The Contract Commercial Auto Department provides a full range of products, including Truck, Public & Business Auto and Garage.

We have three companies available to place both admitted and non-admitted business: National Casualty Company, Scottsdale Insurance Company and Scottsdale Indemnity Company.

We have dedicated underwriting expertise for all your trucking needs, including non-fleet, mid-fleet (11 to 50 units) and large fleet (51+ units).

Where we specialize

Our focus is to write commercial auto risks used for a variety of transportation purposes such as:

- For-Hire Truck — We offer Trucking risks (risks with experienced drivers, excellent to good Central Analysis Bureau scores, maintenance programs and hiring practices)
- Public Auto — We write a variety of livery coverage including school buses, taxis and other limited classes (such as non-emergency medical transports, etc.); we look for excellent risks, strong results and experience in this category
- Business Auto — Contractors, waste haulers, logging, etc.; we prefer excellent risks with years of experience
- Garage — We offer a large variety of Service and Auto Dealer risk classes countrywide, with great coverage options and forms
- Specialty Truck — Offering coverage for those specialty for hire classes with unique requirements by state

Other services

- Prompt issuance of FHWA and other filings
- 24/7 Claims staff dedicated exclusively to truck claims
- Loss control consulting to fleet accounts
- Driver safety materials
