Freight Watch Group

A suite of comprehensive logistics security products and services.

Intellicorp

Access to background checks, including criminal records, driving records and other public information.

ISONet®

Complimentary risk management technical reports, recommended links, and electronic newsletters.

MSDSonline®

Access the Internet's leading database of safety data sheets, at no cost!

Shoes for Crews®

Slip-resistant footwear and mats to complement a slip, trip and fall program.

tattletale™ Portable Alarms

Equipment protection from vandalism, theft, fire and a myriad of other concerns.

Transport Security, Inc.

Offers a variety of products to help prevent cargo tampering and theft.

United Power Services

Infrared thermography services to help identify areas of increased heat in electrical equipment.

United Spectrographics, LLC

Infrared thermography scans for customers across the globe.

The information provided in this document is intended for use as a guideline and is not intended as, nor does it constitute, legal or professional advice. Travelers does not warrant that adherence to, or compliance with, any recommendations, best practices, checklists, or guidelines will result in a particular outcome. In no event will Travelers, or any of its subsidiaries or affiliates, be liable in tort or in contract to anyone who has access to or uses this information for any purpose. Travelers does not warrant that the information in this document constitutes a complete and finite list of each and every item or procedure related to the topics or issues referenced herein. Furthermore, federal, state, provincial, municipal or local laws, regulations, standards or codes, as is applicable, may change from time to time and the user should always refer to the most current requirements. This material does not amend, or otherwise affect, the provisions or coverages of any insurance policy or bond issued by Travelers, nor is it a representation that coverage does or does not exist for any particular claim or loss under any such policy or bond. Coverage depends on the facts and circumstances involved in the claim or loss, all applicable policy or bond provisions, and any applicable law.
