

Let us use our expertise to address your for-hire trucking account needs. We know the unique risks of the transportation industry and have the right coverage solutions with limits per vehicle, terminal and catastrophe. We also offer dedicated underwriting expertise for all your trucking needs, including non-fleet, mid-fleet (11-50) and large fleet (51+ units).

What we offer

We offer a specialized for-hire trucking program providing a full range of coverages, including Auto Liability, Auto Physical Damage, Cargo, and Truckers General Liability.
