

Increase efficiency for small fleets and owner operators by giving more control and visibility into their operations

Trucker Path delivers value by offering Northland customers 25% off products, including Trucker Path COMMAND™ fleet management software, or for those who either don't have or aren't ready for a TMS system, Trucker Path for FLEETS™, along with access to the exclusive cargo theft reporting feature.

Over 9 million downloads and 800M+ truck-safe miles routed.¹ Trucker Path's products offer increased driver safety, efficiency and productivity.

Achieve peak efficiency for 25% less

COMMAND offers comprehensive dispatching, tracking, centralized communications and more.

FLEETS offers truck-safe navigation, available parking information, weigh station statuses and more.

Cargo theft is a major problem; reporting it shouldn't be

COMMAND and **FLEETS** come with our exclusive cargo theft reporting feature – an enhanced way to collect data and documents to simplify the process for Northland customers.

A gem of a deal: Diamond membership included

Automatic Diamond-level subscription to the Trucker Path app for companies with more than one truck, which includes the benefits of Gold membership plus these ad-free premium features: unlimited stops, HOS (hours of service) optimization, fuel optimization, truck routing, offline maps and more.

Work quicker and smarter with COMMAND

- Northland’s exclusive cargo theft reporting feature
- Comprehensive dispatching, tracking, document scanning, settlements and accounting
- Truck-specific routing and navigation
- Centralized communications that improve productivity
- Enhanced driver safety and compliance
- Open integrations with electronic logging devices (ELD) and tracking platforms
- Automatic upgrade to Diamond premium membership

Trucker Path for FLEETS helps make your drivers more safe, efficient and productive

- Northland’s exclusive cargo theft reporting feature
- Access GPS-enabled, truck-safe navigation and route planning
- Avoid delays and find parking spaces without wasted time or fuel
- Ratings and reviews of truck stops, rest areas, restaurants, etc.
- Fuel discounts at a growing number of fuel locations
- Weigh station statuses to better prepare drivers
- Dispatch portal to easily send load details directly to your driver’s app
